# milo's camp golden rules

We believe that starting each day with our Golden Rules is essential to ensure that your child has the best possible experience at our camp. These rules are not just guidelines; they are the foundation upon which we build a day filled with fun, thoughtfulness, and meaningful connections.

By delivering the Golden Rules every morning, we set a positive tone for the day ahead. We emphasise the importance of using positive language, showing encouragement to others, and fostering teamwork across the camp. These values are not only crucial for creating a supportive and inclusive environment but also for promoting personal growth and development in every camper.

Encouraging your child to arrive by 9:00 am ensures they don't miss out on this vital session, setting them up for a day of success. If running late, please notify us promptly. Your cooperation helps create a fulfilling experience for all campers.

# age groups

We are experienced in caring for children of all ages and ensure parents total peace of mind that whilst they are at work, their children are being cared for in a safe and stimulating setting.

Throughout the week, the camp offers children the opportunity to try things they have never had the chance to do before under the guidance of the camp activity leaders. We have something for everyone, from the quietest 4-year-old to an energetic 11-year-old.

Our Hoppers programme combines early-years-style care with fun activities, encouraging 4 to 5-year-olds to explore and learn in a safe and happy environment.

Our Skippers programme offers guaranteed excitement, fun and friendship. Young campers can reach new heights, learn new skills and enjoy plenty of healthy outdoor activities.

Being in the oldest age group means your Jumpers get maximum activity choices, maximum flexibility and of course maximum fun as they get to try everything on offer.

## Camp with friends

If you would like your child to be grouped with siblings, family members, or a specific friend, please feel free to email us at [milo@letsleap.co.uk](mailto:milo@letsleap.co.uk).

As long as they are close in age, we'll be more than happy to accommodate your request. We'll also make sure to leave a note on the register for our camp location managers to ensure they're aware. Looking forward to making your child's camp experience as enjoyable as possible!
