# An easier way to support your whole school community

At Let's Leap, we recognise that schools are busy enough without the added responsibility of organising and delivering activities beyond normal school hours.

That's why we offer a range of high quality, Ofsted-registered provision designed to support your school, engage your pupils, and enrich your school community.

The safety and happiness of your pupils is of paramount importance to us. We uphold a strict code of practice and safety management standards. All Let's Leap staff join us subject to an Enhanced DBS Check, full reference checks, and the completion of our Let's Leap training programme.

Whether you need expert-led P.E. lessons to cover PPA time or wraparound provision, or you want to boost your school's profile (and generate income) by offering an on-site holiday camp, we can help you do it all!

We aim to create long-term partnerships with schools, providing flexible and reliable support as and when you need it.

# Our pupil-centred approach

Having worked with schools and children for a combined total of 20 years, we understand how to create safe environments where pupils can be active, learn, and have fun, with a little help from our much-loved mascot, Milo!

Our pupil-centred approach is proven to:

- Boost pupils' confidence and independence.
- Support physical health and wellbeing.
- Improve communication skills and relationships.
- Expand pupils' horizons and cultural capital.
- Develop key life skills that will set them on the path to success.

Meet Milo

*"Working with Chris [from Let's Leap], you can see he is a professional, dedicated, caring teacher.*

*He is in tune with the needs of all children - from the most able, who crave challenge, to the most vulnerable, who need nurturing and attention to keep them on track."*

Deputy Headteacher | Edison Primary School

# Inclusive P.E. Lessons

Empower pupils with our high quality and inclusive lessons, available to cover PPA and curriculum time to suit your needs.

## Our specialist P.E. team deliver lessons that:

- Develop motor skills and boost overall physical health.
- Teach sports skills in line with the national curriculum.
- Reduce stress and anxiety and support mental health and wellbeing.
- Aid concentration and focus, leading to improved behaviour throughout the school day.
- Increase participation and engagement, supporting pupils of all abilities to get active.
- Improve teamwork, boost confidence, and help friendships flourish.
- Embed healthy daily habits and instill a love of physical activity.

*"Cyrus, our P.E. teacher from Let's Leap is hugely popular and supports every child across the school."*

Headteacher | Havelock Primary School

# Reliable Wraparound Provision

Provide the reliable wraparound provision that your pupils and parents need without the hassle with Let's Leap!

## Breakfast clubs

Our team are here to help you and your pupils kick-start the day! We can deliver a breakfast club for your school every weekday morning during term time, providing pupils with a nutritious breakfast to set them up for a busy day of learning.

## Lunch clubs

We can provide structured activities that improve behaviour, reduce accidents, boost physical activity, raise wellbeing, and enable your staff to focus on other responsibilities. **We can also provide staff training, sharing the skills required to deliver safe and engaging lunchtime activities independently.**

## After School Care

Let's Leap flexible after school care ensures after a structured day of learning, children have the perfect environment to be active and release their energy in a safe and positive environment. Our Ofsted registered after school provision provides parents who require childcare up to 6pm peace of mind that children will be participating in a wide range of creative activities keeping them safe, engaged and more importantly knowing they are having FUN!

## After School Clubs

We also offer a wide range of after school clubs for children of all abilities, with an emphasis on engagement – not competition. We want everybody to join in, have fun, and try to beat their own personal best in a fun and safe environment. Our activities range from gymnastics, dance to science and IT, so there's something for every child.

*"Parents have praised Let's Leap for their friendly and approachable manner. They tell us that their children are always excited to attend their clubs at the end of the day."*
