My son is in love with let's leap...

My son is in love with let's leap holiday camp! From the staff, to the activities and price it's amazing. We use the let's leap at holy cross primary school in Fulham, London and the staff are amazing with kids! Super welcoming and kind, my son truly enjoys going there. We have tried out a few different ones and since trying out let's

leap we can look back and refuse to go anywhere else! He got to try the go karts and bouncy castle this time and he loved it, made lots of friends and they even helped him with reminders to drink more water from my notes. Super pleased and always a positive experience! See you in the summer holidays!

Hi Lucy,

Thank you for your lovely review! We're so glad your son loves Let's Leap and enjoys his time at Holy Cross. We can't wait to see you both again this summer!

“ Fantastic camp at South Hampstead High School... ”

My son had such a fantastic time at Let's Leap Holiday Camp in South Hampstead! From the moment we arrived, Miss Jan was so warm and welcoming. She somehow remembered every child's and parent's name, which, in such a busy camp, is seriously impressive! It made us feel like part of a big happy community, It was also great to meet the director of the company, it's clear how much passion and care go into running this camp. My son was part of the skippers group and after the first

day, with a lovely chat at the end of day. The staff were asking questions on my sons likes and dislikes to make his experience even better. At the end I was asked if he could go to the oldest group, jumpers. My son was so happy and could not wait to come back the next day. Safe to say, he had the best time!

Hi Cheryl,

We're so happy to hear your son had an amazing time at South Hampstead! Miss Jan and the team truly love creating a welcoming and supportive environment, so it's great to know you felt that.
