# LET'S LEAP

INTO BRILLIANT PE

**COMPLETE PE PROVISION  
DELIVERED BY SPECIALISTS WHO  
KEEP YOUR SCHOOL MOVING**

Let's Leap has been a real partner in the growth of our school. Their PE provision is delivered by friendly, experienced staff who consistently provide high-quality lessons. From start to finish, their service has been seamless. The team is motivated, professional, and the children love their PE lessons. This is a highly organised and effective PE provision that meets the needs of every child.

Dr Jeremy Hannay, Executive Headteacher

Three Bridges Primary School

## PE SPECIALISTS YOU CAN TRUST

At Let's Leap, everything starts with great people.

---

We carefully select experienced PE specialists who know how to deliver engaging, high-quality lessons in primary schools. Every teacher completes a thorough recruitment process, including delivering a live lesson to our Head of PE, along with full safer recruitment checks.

You'll feel confident in who's walking through your doors each day and they'll know exactly what they're doing.

Built for Ofsted, ready for every lesson

---

Our teachers know what strong PE looks like during Ofsted inspections. They play a key role in supporting positive Ofsted outcomes, particularly during PE deep dives, demonstrating a clear understanding of curriculum intent, implementation, and progression across all year groups.

**Reliable cover, five days a week**

We keep things running as they should, every single day. All staffing is managed in-house, and if a teacher is ever unavailable, we arrange cover quickly and seamlessly, keeping your timetable consistent and your pupils active and engaged.

# FREE ACCESS TO A READY-TO-GO CURRICULUM

We make PE planning simple and effective.

---

Your school receives full access to the Get Set 4 Education programme at no extra cost. We cover the full subscription, so there's nothing additional for your school to pay, and you'll have your own login with complete access to the platform. This Ofsted-recognised programme and afPE approved curriculum resource supports strong delivery during inspections, particularly in PE deep dives, with a clear structure for planning, progression, and lesson delivery.

## This includes:

---

- > Delivering ready-to-use lesson plans.
- > Mapping clear progression across year groups.
- > Supporting assessment and tracking.
- > Tracking club impact and participation.
- > Providing a wide range of additional resources.

Everything is in place to support both teachers and pupils from day one.

# BUILD LASTING RELATIONSHIPS WITH CONSISTENT STAFF

We believe consistency makes a real difference in schools.

---

Our PE specialists are employed in full-time roles, sometimes working across multiple schools depending on how many days of support are needed. This ensures consistency, strong relationships, and high-quality delivery. Schools can book support for as many days as required each week from one day to full-week provision with all specialists supported by clear career development pathways to keep them motivated and delivering at a high standard.

## Access support from a dedicated Head of PE

---

You're supported through every hop, skip, and jump. Our Head of PE works closely with your school, providing ongoing CPD, supporting delivery, and sharing termly reports that give you clear insight into progress and impact.

## We invest in great PE teachers

---

Happy, supported teachers create better experiences for pupils. That's why we offer above-industry pay, clear progression, and performance-based incentives to support and reward our team.

Let's Leap provide us with an excellent PE provision across the school. Their PE teacher is hugely popular with the children and delivers engaging, inclusive lessons that support every pupil.

Chris and Reece are professional, supportive, and committed to delivering a high standard of PE, always putting the children first.

Havelock Primary School

### Sports days and events

We love getting involved beyond the lesson too. Our team can plan and deliver sports days and events that are organised, inclusive, and genuinely fun, with additional staff provided where needed at no extra cost.

### Added Value for Your School Events

We can bring something a little extra to your events. From inflatable obstacle courses to bouncy castles, we can provide equipment from our holiday camps at no cost to your school to help make school events, fairs, and fundraisers even more memorable.

### Pricing

**Full Day PE Cover**  
(8:30am – 3:30pm):  
£235 per day

**Full Day PE + Club**  
(8:30am – 4:30pm, including club):
