ACTIVITIES

Games and Quizzes to promote and educate children on benefits of being healthy and active.

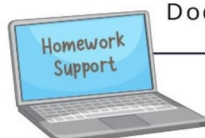

Learn skills such as teamwork, cooperative and creative thinking. Milo believes team building activities also help give children the chance to build friendships with each other and develop their social skills.

Milo has some great ideas, activities, crafts and colouring pages that can have fun with whilst at after school care. Whatever you imagine, you can make! Together we can learn how to make cool crafts using recycled materials.

Develop fun skills in a range of activities including: Football, Basketball, Cricket, Hockey, Tennis, Netball, Athletics, Dance, Dodgeball, Handball, Rounders and much more!

Dedicated homework support in a calm and encouraging environment, helping children complete their schoolwork before heading home.
